A satirical newsletter was created every day of the Annual Meeting in 1992.

Decor team members contributed amusing photos & stories.

Over the years, this framed poster was broken, however, the humour is as fresh as the days it was published.

The world was changing.

The military bunker turned into a beautiful Congress Centre.

The creative talents of the Decor became less important.

Gerard provides a visual guide with a scroll that is 2 meters (6 feet) long.

This can be viewed in detail on the next three photos.
